*Allowable Subject Matter*

1. Claims 1-15 and 22-25 are allowed in light of the remark filed on 03/30/2006.

2. The following is an examiner's statement of reasons for allowance:

The prior art fail to teach or fairly suggest with respect to claim 1, a robotic system comprising at least one sensor decoupled from the robot for providing substrate support displacement information for correcting the position of the substrate support; and with respect to claims 25, a robotic system wherein a decoupled sensor is positioned to detect at least one positional attribute of the substrate support selected from the group consisting of elevation, extension, or angular position of the substrate support in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to McDieunel Marc whose telephone number is (571) 272-6964.
